

6 Spring Home Projects you can do on a Budget!

Warmer weather is right around the corner. Time to start planning some spring projects!

Here are 6 ways to freshen up your home without breaking the bank:

Raise your flower beds for a luxurious look. If you're not afraid to get a little dirt on your hands, this is a simple home project you can do by yourself in a day or so! Check out these steps to get it done.

Re-stain the deck or fence to freshen up your yard. Here's an easy "how-to" for staining!

Powerwash the house to rid the siding of winter dirt and salt. This will make your home look newer and cleaner for next to no cost! Don't have a pressure washer? No problem! You can rent one from Home Depot or your local hardware store!

Organize your closet! Check out these simple tips on how to simplify your closets and maximize space!

Switch out accents for a fresh look in any room! Need a change but don't want to re-paint? Add pops of color with decor or pick out some nautical themed accent pieces to give it a whole new look! Check out Wayfair.com for great home accents and

furniture, without breaking the bank.

Paint the front door to give your home some curb appeal. Be bold! Check out these amazing front door makeovers for inspiration.

For bigger home projects, such as repaving the driveway, landscaping the yard, adding a fence to your property, or building a deck or porch, check out [cPort's HELOC rates](#). Bonus, the interest on home equity loans is usually tax-deductible! (Ask a tax adviser to see if you qualify.) Call us today at 1-800-464-0253 to apply!
