

# We've Got Spirit, Yes, We Do!

The cPort staff is in it to win it! The last week of February our in-branch staff participated in a themed spirit week where every day they were challenged to dress up.

The schedule of events included:

M: Scrabble Day, T: Formal Day, W: Jersey Day, TH: Charity/Organization Day and F: Flannel Day

Nothing like a little friendly competition between branches!

## **Themed Day Additional Details:**

We thought it would be fun to get everyone thinking about how to get creative for spirit week. These are the ideas we gave to get staff thinking about what to wear!

Scrabble Day- Everyone was invited to wear a letter on their chest, and throughout the day staff had to try and assemble as many words as possible.

Formal Day –All dressed up to go to work at cPort!

Jersey Day- Football, soccer, baseball, name your sport & name your favorite team!

Charity/ Organization Day- We asked employees what they are passionate about outside of the office. We wanted to see what national or local organizations our staff support.

Flannel Day- It is winter and flannel season. We brought out the

best Paul Bunyan looks for this one!

Make sure to visit our Facebook, Twitter and Instagram to see creativity at its finest!
