

Donations

Donation Policy

At cPort Credit Union, we are committed to participating in meaningful community involvement through our support of a variety of charitable organizations and educational institutions. However, due to the number of requests we receive and in order to give all submissions fair review, we ask that those organizations and persons seeking charitable donations or sponsorships submit a Charitable Contribution Request Form.

Requests will be reviewed on a case-by-case basis and as they are received. Donations will be decided upon based on need, our annual budget, and the alignment with our philosophy and mission of promoting Education, Health & Wellness, and Ending Hunger.

Submission of a request does not guarantee a donation will be granted. *If you wish to contact us for a donation, please submit an [application](#) directly to your local cPort Branch Manager or to marketing@oportcu.org.*

Preference will be given to recommendations of cPort Credit Union members, employees and Board of Directors.
