

cPort at Kegs and Issues

cPort's VP of Human Resources Alicia Roberts took the stage as event host at the Portland Regional Chamber of Commerce Kegs and Issues event on June 19.

cPort is one of four sponsors of the Chamber's event series Kegs and Issues, a networking event featuring local speakers and local breweries. The final Kegs and Issues of the season held on June 19 kicked off the Startup Maine conference.

Alicia presented this video about cPort's culture and values. The video focuses on how our employees feel about the impact they are making in our members' lives.

At cPort, we believe every person has the potential to do something great, and we work with our members to reach their financial goals.

We're already looking forward to the next season of Kegs and Issues!
