

# Pay Down Your Debt with a Consolidation Loan

Worried about the debt you've racked up over the past year? Do you want to start 2021 with a clean slate? cPort may have a solution to help put your financial concerns a little more at ease. With consolidation rates as low as 4.99% APR\*, this could be the perfect way for you to pay off high interest rate credit cards in addition to consolidating all of your other bills.

To begin, you'll need to add up all of your current outstanding debt. Next, you'll work with a cPort Member Service Representative to review your credit report and help find the loan that best suits your needs. Together you'll determine the term and rate you qualify for based on your credit history and discuss your budget for making payments.

If your loan is approved, cPort will send checks directly to your lenders to pay off your debts. With your other debt paid off, you'll have just one payment per month on your consolidation loan. With a set term and payment amount, you'll know exactly when you'll be debt free and you'll be able to keep track of your progress along the way. What are you waiting for? If you are ready to hit reset on your debt, give our team a call today!

Our member care team is available to assist you by phone from Monday – Friday: 8 a.m. – 5 p.m.
