

cPort's PPP Team Helping Maine's Businesses Again

cPort is accepting applications from members and non-members for the second round of Paycheck Protection Program (PPP) funding. Congress passed this new COVID-19 Relief Bill in order to help businesses keep their workforce employed during the pandemic. Both first-time and second-time applicants are eligible.

Not sure if you qualify for a PPP loan? Afraid that your loan amount may be too small? We're here to help talk you through the requirements.

In the first round of funding we were able to process over 150 loans. cPort's dedicated PPP loan team is looking forward to being able to help existing and new applicants with this additional round of funding.

If you are interested in learning more, visit cPort's SBA Paycheck Protection Guidance webpage. There you will find information about the loan, instructions and an online application form.

If you have questions, send us an email at paycheckprotection@cportcu.org or reach out to a cPort Member Care Representative at 1-800-464-0253.
