

Visa® Debit Card

Visa Debit Card

With cPort Credit Union's Visa® debit card, you can access your accounts to make purchases or get cash. Use it at more than 20 million locations worldwide! To help you keep track of spending, every transaction made with your card appears in online banking and on your monthly checking account statement.

Looking to change your PIN? Call 1-800-757-9848 to change your PIN by phone.

Zero liability

You are not held liable for unauthorized purchases made using your Visa card, whether the transaction occurs online or off. If your card is lost or stolen, call 1-800-472-3272 (in the US) or 1-973-656-2345 (outside the US).

Point-of-sale (POS) transactions

Your Visa debit card allows you to make purchases much like you would with a credit card, but the funds are withdrawn directly from your checking account. When using your debit card with your personal identification number (PIN), many merchants allow you to get cash back with your purchase.

SURF (Surcharge Free) ATM Network

The SURF Network is an alliance of Maine credit unions that offer 200+ surcharge free ATM locations to credit union members. Just look for the SURF logo on credit union ATMs statewide.

Learn more.

Worldwide ATM access

When you travel beyond the reach of the SURF Network, your cPort Credit Union Visa® debit card can be used as an ATM card.

Daily limits for debit purchases, POS transactions and ATM withdrawals apply.
