

Ready to Pop the Question?

What is that we hear? Did you know March 20 is National Proposal Day? It's also the first day of spring! Sounds like the smell of flowers is not the only thing in the air.

Is the only thing holding you back from popping the question your financial situation?

A cPort wedding loan can help finance your wedding day expenses and a variety of other wedding-associated costs: an engagement ring, wedding dress, honeymoon (or second honeymoon!), anniversary party, or wedding debt consolidation.

There are also some great benefits including:

- A lower interest rate than most credit cards
- Option to defer your first payment for 3 months*
- Option to skip your loan payment every year on your anniversary**

Give us a call and work with one of our MSRs to see if a wedding loan makes sense for you. 1-800-464-0253.
