

Updated website coming soon!

Get ready for an updated cPort website (at cportcu.org) this summer! We're excited to share the new look with you!

Some of the upgrades that we think you'll enjoy are:

- **Responsive design:** Now, cportcu.org will look great on any screen size! Whether you're on the site on your desktop, laptop, tablet, or smartphone, the website will be sized perfectly for your screen.
- **cPort's blog:** Our new blog will offer financial tips, in depth how-to's, upcoming community events, and more! We hope the information from our blog will add new value to your membership.
- **Improved navigation:** While you'll recognize the navigation menus at the top and bottom of the page, we've added new quick link features to help you immediately find what you're looking for on the site.

And, don't miss the treasure hunt! Check out the new website and enter to win \$50 or the grand prize – an Apple Watch! While our website will be changing, once you log in, your online banking experience will remain the same at this time.

Thoughts or questions about the website upgrade? Feel free to call 1-800-464-0253 or email info@cportcu.org.

Message from the CEO

Summer is always my favorite season in Maine, and at cPort, we're celebrating

summer with our Membership Appreciation Events!

Join us for cPort Night at Sea on Sunday, August 2nd! It will be a fun night to celebrate our members and enjoy Maine's beautiful summer weather and views of Casco Bay. In addition, the following week, August 3rd – August 7th, Gusto's Italian Food Truck will visit each of our branches to serve up some free lunch to our members (full schedule on the next page). We

will also have live music and daily prizes—I look forward to seeing you there!

July also marks one year since we announced our vision statement: “to deliver the best financial experience to our members.” We don't take “the best financial experience” lightly – delivering the best experience is the highest possible standard. We will always be seeking ways to improve and deliver the “best” to you.

Whether you do your banking at our branches or you typically check your accounts on your smartphone; from your day-to-day checking account to your next mortgage, we want to offer

you the best, most convenient service to reach your financial goals.

As always, if you have any thoughts or suggestions for how we can improve our products or services, please feel free to get in touch at eardito@cportcu.org or at 207-253-4111.

Thank you for your membership, and enjoy your summer!

Gene Ardito
President & CEO

Apple Pay is here!

Now, you can use your cPort debit card with Apple Pay! It's as simple as taking a picture of your debit card with your iPhone 6 or 6 Plus and completing the verification process. Then you are on your way to easy, secure, and private payments – no need for your wallet!

You can use Apple Pay at participating stores in Maine like BJ's, Macys, Panera, Walgreen's, and Whole Foods. The list of merchants continues to grow! You can see the full list at cportcu.org/applepay.

cPort was the first credit union in Maine to offer Mobile Check Deposit, and now, the first credit union in Maine with Apple Pay. We continuously strive to deliver innovative and leading-edge solutions to meet your changing needs!

To learn more about Apple Pay, visit cportcu.org/applepay, or call 1-800-464-0253 for more information!

College Aspirations Scholarship Program 2015

Almost 1,000 local elementary students submitted scholarship essays in this year's program! We awarded 104, \$100 college scholarships in ceremonies held at Augusta's four elementary schools, Wentworth Intermediate School in Scarborough, and Ocean Avenue, Riverton, Reiche, and Presumpscot Schools in Portland.

"In the end, all of the students are winners, not just the scholarship recipients, because of the learning this program provides" says cPort CEO Gene Ardito. "The scholarships are a nice way to start saving for college, but what's really important is that all of these students are thinking about their future aspirations, and how to achieve them, at an early age."

Thank you to all of the schools for their participation and effort in our 8th year of the program!
