Message From The CEO

Cape Elizabeth, Maine - Pamela B.

As we welcome spring, it's time for new beginnings, growth, and optimism. I am pleased to share that cPort continues to grow our member services by advancing our systems and offering a contactless debit card in the fall of 2024. The new card will have advanced capabilities such as "tapping" to make a purchase. You can also store and use the card in a mobile wallet. This evolution of card services is an example of how cPort always strives to make your financial experience better and safer.

I am delighted to share that cPort, in partnership with the Elan Charitable Giving Program, donated \$12,500 to the Boys and Girls Clubs of Southern Maine (BGCSM). We value investing in our local communities and impacting the lives of our future generations. Our partnership with the BGCSM does not stop at a donation. We are excited to announce that we are bringing our Career Aspiration Program to the club in 2024 to promote the aspirations of the club members at an early age. This Program has been the heart of cPort since 2008. Career Aspirations has been at the heart of cPort since 2008. We are incredibly grateful we have the opportunity to continue this program within our communities as it continues to grow and evolve.

In February, our Forest Avenue Senior Branch Manager, Honorine Uwishema, and I testified in support of the Office of New Americans. cPort jumped on the opportunity to share crucial insights into financial literacy and how that impacts the successful integration of our New Mainer community. For nearly two decades, cPort has focused on financial education to ensure everyone has access to the financial resources and tools needed for a successful financial future. cPort supports the LD2167 bill, as it doesn't just stand to benefit New Mainers; it will present a more inclusive and vibrant community to all.

We hope you will join us for our Annual Meeting on Wednesday, May 22, 2024, at 7:30 am. We will discuss cPort's performance and activities in 2023 and offer refreshments for attendees.

Remember that we are always here for you. High-interest rates, unemployment, and limited housing choices are just some of the many financial challenges our community is currently facing. Our team is ready to provide individualized assistance and effective solutions. Do not hesitate to call us at 1-800-464-0253. cPort is ready to help you weather any storm.

As we move into this new season, I thank you for your continued trust and support. Your financial wellness remains our top priority, and we look forward to helping you reach new heights this spring.

Sincerely,

Gene Ardito
