We're Getting Ready For cPort's Lewiston Branch Opening This Fall

We are thrilled to announce that the opening of our new Lewiston branch is just around the corner! It feels almost surreal to reflect on how this journey began back in 2023, sparked by a bold vision to expand our reach and deepen our connection with the vibrant Lewiston community. Over many months, we have poured our energy, enthusiasm, and commitment into bringing this project to life while celebrating milestones along the way. Now, as we stand only days away from welcoming you to our newest branch location, our excitement is greater than ever. We look forward to providing our members with a welcoming Inclusive space where they can access all the services and support they have come to rely on, now in a setting designed to inspire connection and growth.

This remarkable achievement would not have been possible without the unwavering dedication and expertise of our partners. We extend our heartfelt gratitude to Hebert Construction and Platz Associates, whose professionalism, creativity, and attention to detail have been evident at every stage of the process.

Their hard work has transformed our ideas into a beautiful and functional branch that truly reflects our values and aspirations. As we prepare to open our doors, we are filled with gratitude for everyone who played a role in this journey, and we cannot wait to begin serving our members in Lewiston. Be on the lookout for our official cPort Lewiston branch opening date—coming soon to your email, social media, and our website.

Kelsey Marquis, cPort President & CEO joins in to say thank you to members during Member Appreciation Week.

Dear Members,

Over the past few months, we have had the joy of celebrating many achievements here at cPort. These achievements are a testament to the unity within our community and the invaluable support each of you provides.

Our recent Member Appreciation Week was a tremendous success, filled with fun, connection, and meaningful moments. It was a joy to celebrate you—our members—who are the cornerstone of everything we do. From

I am delighted to share that we have been recognized as the number one Forbes' Best in State Credit Union for 2025—marking our third consecutive year receiving this prestigious award, and our first year being named as number one. This extraordinary honor is a reflection of your trust and loyalty, as well as the unwavering dedication of our staff. We remain inspired as we continue to reach new heights and redefine what exceptional service truly means.

For the ninth year in a row, we have also been named one of the Best Places to Work in Maine. This recognition underscores our ongoing commitment to creating a workplace where every employee feels valued, empowered, and inspired to grow. A thriving team means better service for our members, and I am grateful for the passion and professionalism our staff brings to every interaction.

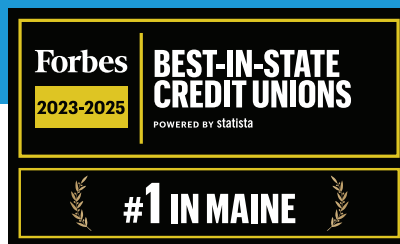

Looking ahead, our Lewiston branch will be opening its doors very soon. This expansion marks a significant step in furthering our commitment to meeting our members where they are and investing in the heart of their communities. The Lewiston team is eager to welcome new and existing members alike, and we look forward to serving the Lewiston community with the same warmth, care, and expertise that have become our hallmark. Stay tuned for more details about opening celebrations—we can't wait to see you there!

As we look toward the future—with new beginnings in Lewiston and so much to celebrate—it's clear that our strength lies in our members, our employees, and our community. Thank you for being an essential part of our journey. Together, we are building something truly remarkable.
