Introducing the New cPort Account Suite

Your Trusted Financial Partner For Life

cPort Credit Union recently completed a vibrant account rebrand, bringing you a fresh banking experience that's more personal and rewarding than ever. Our new account suite is the result of thoughtful planning and a genuine desire to better support you, our valued members, throughout your financial journey. We've chosen account names that reflect the stages of your life, ensuring that each option feels relevant and meaningful whether you're saving for your first home, planning for retirement, or simply looking to maximize your everyday banking. This rebrand isn't just about new names—it's about making your experience with cPort feel rewarding and uniquely yours.

Alongside this rebrand, we're introducing new perks to enhance your membership with cPort. Each account now comes with personalized perks, carefully curated to help you achieve your financial goals and celebrate your milestones.

These perks are designed to grow with you, providing ongoing value and support as your needs change. Whether it's a reward for switching to eStatements, special incentives for saving, or exclusive discounts on loans, our commitment is to ensure your account is a true partner in your success.

Together, we look forward to helping your financial well-being flourish and supporting you every step of the way as a member of the cPort community.

Message from the President & CEO

cPort President & CEO Kelsey Marquis in front of cPort's Portland Middle Street Branch

Dear Members,

I am truly delighted to welcome this spring season with each of you—our remarkable community of members. Spring isn't just a time of blossoming change in nature; it's a powerful reminder of our commitment to serve you in new and meaningful ways.

Our focus is sharper than ever on serving you by introducing innovative programs, refreshing our services, and creating opportunities tailored to your goals. Supporting you on your financial journey inspires us to continually improve and provide outstanding value in all that we do, no matter what your needs are.

I'm especially proud to highlight one of our biggest milestones this year: the launch of our enhanced member accounts. We've introduced new account names and exciting perks, all thoughtfully designed to deliver even greater value and an enhanced cPort experience.

We understand that as life evolves, so do your financial needs. We aim to be a partner you can trust and count on through every phase of your life, no matter where life takes you. We hope you enjoy the fresh new look and take full advantage of the benefits now available with your accounts.

We're also excited to be celebrating the 19th year of our cPort Career Aspirations Program! It is truly a privilege to be able to continue this program that Gene Ardito, cPort's former President & CEO, began in 2008 and empower our community by nurturing the next generation of bold leaders. Through hands-on experiences like interactive workshops and engaging ceremonies, the program has fueled hundreds of dreams, helping talented students soar toward their career ambitions. As we look ahead, the possibilities are limitless, and each new year welcomes fresh ideas, inspires collaboration, and strengthens the bonds that unite us more with the communities we serve.

With longer days and sunnier skies upon us, and personally my favorite time of year, I want to extend my deepest thanks to you, our valued members, for the trust and confidence you've placed in cPort. Our team is truly honored to serve you. We look forward to continuing this journey together, as we continue to find ways to improve your experience and help you reach your goals.

Here's to a wonderful spring filled with fresh opportunities, meaningful connections, and achievements we celebrate together.

With gratitude,

Kelsey Marquis
President & CEO

Ending Hunger Luncheon

cPort Employees gathered with credit unions from across the state for the Maine Credit Union League's Campaign for Ending Hunger Results Celebration. There was much cause for celebration! The Campaign has continued to grow and flourish, providing even more individuals and families with meals when they need them most. cPort is proud to support the Campaign's efforts to fight food scarcity in Maine.

cPort at the USM Spring Job & Internship Fair

Our HR department spent the day on site at the University of Southern Maine's campus meeting students and sharing information about career opportunities at cPort. It was a great chance to connect, answer questions, discuss internships and full time roles, and introduce future graduates to the possibilities within our growing team.

cPort Lewiston Branch Ribbon Cutting

cPort Credit Union proudly celebrated the grand opening of its newest branch in Lewiston with a Ribbon Cutting Ceremony held at 321 Main Street. The event marked a significant milestone in cPort's commitment to serving the Lewiston community and was attended by enthusiastic project participants, business leaders, and community partners.

The ceremony reflected cPort's continued investment in building strong local relationships and expanding access to trusted financial services in the heart of Lewiston.

Members of the Lewiston community were welcomed to the branch to mingle with cPort employees and others involved in the project, tour the space, enjoy delicious food, and listen to live music and speeches.

Learning financial independence:

Ignite Debit Card Program

For Motivated Mainers Ages 10-17

We know how important it is to support pre-teens and teenagers as they learn how money works. Ignite Member Accounts give kids ages 10 to 17 the tools to save, spend, and set financial goals responsibly, including their own cPort Visa® debit card. Parents or guardians can transfer allowances or rewards to their child's card and monitor transactions through the cPort Debit Card Control app. The app sends instant alerts, allows spending restrictions, and lets you manage up to six cards in one place. Ignite offers a safe, simple way for young cPort members to build confidence and take their first steps toward financial independence.
