As businesses navigate an increasingly complex financial landscape, having the right tools and trusted guidance can make all the difference. Voyages brings together meaningful business solutions, including services like payroll services, fraud protection, and digital payment capabilities, while pairing them with

the personalized support cPort is known for. The result is a stronger banking relationship that helps business owners spend less time managing finances and more time focusing on their customers, employees, and future growth.

Message from the President & CEO

Kelsey Marquis, cPort President & CEO

Dear Members,

As fall begins, I've been reflecting on the moments this year that have reminded me why the cPort community is so meaningful. From important milestones to opportunities to celebrate our members, this season has been filled with gratitude, progress, and pride in what we continue to build.

We are honored to share that cPort has once again been named to Forbes' Best-In-State Credit Unions list, marking our fourth consecutive year receiving this national recognition.

This achievement is especially meaningful because it reflects the trust and feedback of our members. It speaks to the dedication of our entire team and our continued commitment to providing a personal, supportive, and member-focused banking experience.

We are also proud to be recognized as one of the Best Places to Work in Maine for the tenth year in a row. This milestone reflects the culture our employees help build every day, a culture rooted in teamwork, support, and a shared belief in cPort's mission. When our employees feel valued and supported, they are better able to bring that same commitment and dedication to our members.

Another recent milestone was the launch of our new Voyages Business Banking program, designed to help Maine businesses navigate their financial journey with greater confidence. Through Voyages, business members have access to a more customized banking experience, along with tools and services that support growth, efficiency, and long-term success.

And of course, we were grateful to celebrate another lovely Member Appreciation Week. It is always a joy to connect with members, say thank you in person, and celebrate the relationships that make cPort more than a place to bank. Your loyalty, referrals, conversations, and continued trust mean so much to us.

As we look ahead to the months to come, we remain focused on helping you reach your goals, supporting our local communities, and continuing to deliver the best financial experience possible. On behalf of all of us at cPort, thank you for being part of our story and for allowing us to be part of yours.

Warmly,

Kelsey Marquis
President & CEO

On Tuesday, July 21st, cPort partnered with Maine Golf to revive the **cPort Credit Union Junior Golf Classic**. We had a great time supporting this event, cheering on the players, and running giveaways!

On Monday, August 17th, cPort competed in the **26th Knapp Morrison Scholarship Golf Scramble**. This was a fantastic opportunity to raise funds for scholarships for Lewiston/Auburn area students and cPort's team ended up winning the scramble!

Celebrating the Heart of cPort: Members Appreciation Week

Each year, Member Appreciation Week gives us the opportunity to celebrate and thank our members who make cPort so special. This year, members joined us at our Scarborough, Augusta, and Riverside locations to enjoy complimentary lunches, lawn games, prize wheel spins, and exciting giveaways, including gift cards and Patriots tickets.

Most importantly, Member Appreciation Week gives us the chance to connect with you and express our gratitude for your trust, loyalty, and support. From shared conversations and community connections to the excitement of prizes and giveaways, the week was a reminder that the strong relationships we have with our members are at the heart of everything we do. We are grateful to everyone who joined us and helped make the celebration a success.
